

Disclaimers:

1	There is no guarantee these items will be at the sale. We rely on the sellers bringing them in on the morning of the sale.
2	The description is for guidance, all items are sold as seen. Items are NOT warranted or guaranteed.
3	They become the property and responsibility of the buyer when the hammer falls, subject to payment of the bid plus 10% commission (except absentee bids). You can marshal your winning bids but you may not remove them from the sale room/garden until you have paid.

Advice:

1	The cycle auction begins at 12pm. General auction at 2pm.
2	Typically 10-20 more cycles arrive unannounced on the day.
3	You need a bidding card to bid. Please get one from the desk.
4	You are responsible for making sure the auctioneer sees your bid
5	Valuations may change on the day when we see the items
6	Full terms and conditions are on the web site http://www.auctionsinaday.co.uk

Lot No	Description	Valuation £

Lot No	Description	Valuation £
C50	Pair of Dia-Compe retro style dropped handlebar brake levers. Brand new, original packing, with light brown hoods.	
C51	Shimano 105 left hand STI lever for three chain rings. Used, with some surface wear but in good working order.	
C52	'fi'zi:k' Microtex handlebar tape. Brown colour boxed, complete and unused.	
C53	Pair of MKS 'Infinity' utility pedals complete with built in front and rear reflectors. Little used and in good condition.	
C54	26 (ISO 559) Rear Wheel. Rim well worn and in poor condition but Shimano Deore LX hub, freewheel and 7 speed, 12-28, hyperglide sprocket all in very good condition."	
C55	Sturmey Archer AW 3 Speed hub gear, currently built into a cheap 20 wheel. The gear is missing the connecting rod and chain but has the 3 speed trigger mechanism and cable."	
C56	14 Gauge Spokes, and nipples. Qty 32 x 290mm. Qty 32 x 265mm. All used but in good condition.	
C57	One Continental Ultra Gatorskin tyre and matching Continental Duraskin tyre, both look exactly the same, 26 x 1 1/8, ISO 28 - 559. These tyres have been used but are little worn with no known or visible damage."	
C58	Pair of 14 x 1/3/8 1.75-2.00 inner tubes with Schrader valves. Boxed and unused.	
C59	Pair of DT SWISS TH540 700 rims, ISO 622x19 - 32 hole. These have been used with disc hubs so their braking surface is as new and general condition is excellent.	
C60	Pair of 700c Continental Top Contact Tyres (ISO 32-622) in very good condition, together with matching pair of Continental Tour 28 slim inner tubes. Only one tyre and tube has had one well repaired puncture.	
C61	Pair of 26 Mavic 717 DISC rims, ISO size 559 x 17 - 32 hole. Both rims are in excellent condition."	
C62	One Panaracer Pasela Tourguard 26, ISO 30 - 559 tyre with Aramid belt. This tyre is brand new and has never been fitted or used."	
C63	Three Haro 20 x 1.5" tan sidewall tyres. All are unused."	
C64	Three 700 inner tubes, A pair of 700 x 23/32 unused and unrepaired but not boxed and a single 700 x 18/23C unboxed but new and unused.	
C65	Tandem wheels. Mavic Module 4 rims, 271/4 x 28. Front: Sachs L/F 36 hole 2x Q/R. Rear: Sachs drum brake, 36 hole 3x. Suntour 7-speed 13-32 block. In good condition, used only for UK touring.	
C66	TA loose chainrings, inner 34 and outer 52, compatible middle 42. Unmarked and appear unused.	
C67	SKS Race Blades XL, for 700 23-32 wheels. Unused and in original packaging	
C68	Turbotrainer: Blackburn Mag TRACKSTAND. Bike rear wheel rests and drives the roller and flywheel. Rear frame is held between two precision centering and rapid release clamps. There are 6 preset load settings. Roller is adjustable to take 27, 700 and 600 wheel sizes. Great advantage is being able to train indoors on your own bike. In good condition and working order."	20-40

Lot No	Description	Valuation £
C69	Mongoose Rockadile ALX Mountain bike frame. Size Medium. Includes bottom bracket and front derailleur. Fixings for rear discs. The odd scratch here and there but not dented	
C70	Classic bike parts: Chrome front and rear brakes with pads, cables and left and right brake levers. Front derailleur with cable and handlebar mount thumb lever. Rear Falcon dÃ©railleur with cable and handlebar thumb lever. All very light use
